This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. UNIVERSITY LIBRARY.

Babu Joykissen Mookerjee, of Ooterpara, made a donation of Rs. 5,000 to the University, on the 20th July, 1869, for the purpose of forming a Library. The amount was invested in 4 per cent. securties till the completion of the University building.

In 1874, the sum of Rs. 3,500 was added to the Library Fund from the surplus income of the University of that year; and the Syndicate, having thus at their disposal more than Rs. 9,000, appointed a Committee to report on the steps it was advisable to take to form a Library. The Committee reported (see Minutes, Vol. XVIII, page 22) that they thought "it desirable to begin with procuring such books as shall render the Calcutta University Library *Supplementary to other Libraries now existing in Calcutta.*" The general principles laid down by the Committee, and the mode of procedure they proposed for adoption, were approved by the Syndicate; and further transfers have, from year to year, been made to the Library Fund from the surplus income of the University. Several instalments of books have been received, and the Library now contains besides English works of reference, and the chief authorities on Indian antiquities, fairly complete sets of the Sanskrit, Arabic, Latin, French and German classics. The following Regulations have been approved by the Syndicate:—

Regulations for the Management of the University Library.

1. (*a*) The Library shall be under the management of a Committee consisting of not less than five Resident Fellows of the University, who shall be appointed annually by the Syndicate. The Registrar shall be *ex-officio* Librarian and Secretary of the Committee.

Appointment of the Committee.

(*b*) Members of the Committee, who may leave India during their year of office, with the intention of not returning before the end of their time of office, shall be considered to have vacated their membership.

(*c*) Vacancies which may be caused by the retirement or departure of Members or otherwise, at any time during their year of office, shall be reported to the Syndicate, who may then, at their discretion, nominate other Fellows to the office vacated.

(*d*) The Syndicate may at any time, at their discretion, appoint additional Members to the Committee.

2. (*a*) It shall be competent to the Committee to make such by-laws, rules and arrangements, as they may think fit, for holding meetings and generally for conducting the business pertaining to their office, provided that all such rules and arrangements are consistent with the provisions of the Act of Incorporation, the By-laws of the University, and with these present Regulations.

Powers and duties of Committee.

(*b*) The Committee shall decide on the purchase of books with the money placed at their disposal for that purpose by the Syndicate.

Digitized by Google

(*c*) The Committee shall establish a regular and authentic record of all books borrowed from the Library and returned to it, together with the names of borrowers, the dates of borrowing, and returning, and such further details as they may deem advisable.

Privileges of Fellows.

3. The Library is for the use of Resident Fellows of the University, and they alone have the privilege to use it, subject to the present Regulations and to such further rules and orders as may be agreed to by the Library Committee under Regulation 2 (*a*).

Admission of Non-Fellows.

4. (*a*) Persons residing in Calcutta, not being Fellows of the University, may receive special permission from the Syndicate to use the Library for the purpose of Literary Research. Such permission will be granted only on the recommendation of the Library Committee.

(*b*) In recommending any person to the Syndicate under this Regulation, the Library Committee shall specify in writing, for the information of the Syndicate, the grounds on which they base their recommendation.

(*c*) Persons not being Fellows of the University may consult the Library for the purpose of Literary Research, without removing the book from the Library, between the hours of half-past ten A.M. and half-past three P.M. on the written recommendation of a member of the Library Committee to the Librarian, but not otherwise.

Conditions of borrowing and returning books.

5. (*a*) Subject to the exceptions specified in Regulation 7, Fellows and other persons allowed to use the Library under Regulation 4 (*a*) may borrow and temporarily remove such books as they may require provided that one person shall not at one and the same time have more than ten volumes in his possession on loan from the Library. In this Regulation the term "volumes" shall include pamphlets and parts of works separately sewn.

(*b*) No book shall be issued and delivered except to the authorised borrower in person, or to someone having written authority from him to receive it on behalf of the authorised borrower.

(*c*) Every volume borrowed shall be returned to the Library within two calendar months of the date on which it was removed from the Library. In case any borrower fails to return any book within this period, a notice shall be sent to him by the Librarian calling for the return of the book.

(*d*) If a book called for under the previous section be not returned within one week after the receipt of the Librarian's notice, the person who has borrowed the book from the Library shall be subject to a fine of one rupee for each volume so retained, and to a further fine of an equal amount, for each additional week that he may retain it after the expiration of the second week.

(*e*) Subject to the provisions of Regulations 6, 7, 8, and 9, a book returned to the Library may be again borrowed by the same person, provided that no other Fellow or person entitled to use the Library has lodged with the Librarian an application for the same work. If such application has been made, the book may not be taken out by the original borrower until returned by the second applicant.

Suspension of Privileges.

6. The privilege of any Fellow or other person to use the Library shall be suspended so long as he retains any book which, under these Regulations, he is not entitled to retain, or so long as he leaves unpaid any fine which may have been imposed on him under Regulations 5, 8 and 9.

Books not to be removed.

7. (*a*) Books which are valuable on account of their rarity or which belong to a series, and which, being out of print, it may be difficult or impossible to replace if

lost, or books required for constant reference, shall not be removed from the Library.

(*b*) A list of the works excluded from removal under the Regulation shall be drawn up by the Library Committee, and will be subject to revision and extension from time to time.

8. (*a*) The Librarian shall report to the Committee all cases in which books have been mutilated, disfigured by writing on the margin or otherwise injured while in the possession of readers.

Mutilation or disfigurement of books.

(*b*) Any person guilty of such an offence shall be required to replace the injured by an uninjured copy of the book, and shall be liable to the cost of its proper binding and other charges. Further, he shall be fined and suspended from the privileges of the Library at the discretion of the Committee.

9. (*a*) A general inspection of the library and of the record of books, issued and returned, shall be made annually in the first week of April by the Library Committee, or by one or more Members of the Committee deputed by them for that purpose.

Annual inspection of Library.

(*b*) During this period of Inspection the Library shall be closed, and all books, whatever and by whomsover borrowed, shall be returned to the Library by the 31st March of each year.

(*c*) Any person who fails to return, in accordance with this Regulation, all books borrowed by him, shall be subject to a fine of not less than two rupees for each volume retained, and if such volume is not returned before the expiration of one week after the last day of the inspection, a further fine of an equal amount shall be imposed for each volume for each additional week until that volume is returned or until a copy of the same edition and of equal value is placed in the Library in its stead, and all expenses connected therewith paid by the borrower.

10. The Library shall be closed on Sundays and all public holidays and on all days for holding public examinations. Subject to the exception of Regulation 9, it shall be open on other days between the hours of half-past ten A.M. and half-past three P.M.

ENDOWMENTS.

PREMCHAND ROYCHAND STUDENTSHIPS.

Premchand Roychand, Esq., of Bombay, in a letter to the Government of India, offered to make a donation of two lakhs of rupees to the Calcutta University, and on the 9th February 1866, paid over this amount to the Government of India, to be transferred to the University and held by it as a Body Corporate under Section 2 of Act II. of 1857. Mr. Premchand Roychand further expressed a hope "that the money should be devoted to some one large object or to a portion of some large object for which it might in itself be insufficient."

The Senate, at a meeting on the 21st July, 1866, accepted Mr. Premchand Roychand's munificent donation, and directed that it should be invested in 5 per cent. Government Securities. The Senate, at a meeting on the 31st December, 1892, sanctioned the following plan for appropriating the proceeds of the donation :—

1. Five Studentships of Rs. 1,600* a year each, to be called the Premchand Roychand Studentships, shall be maintained on the interest of the endowment.

At the end of each year after the first year, the student shall submit to the Syndicate report of the work in which he has been engaged during that year.

4. One election shall be made annually after examination, provided any one candidate be declared by the Examiners to be entitled to a Studentship. 5. The Studentship shall be awarded in alternate years in Literary and Scientific Subjects.

The Literary subjects shall be as follows :—

No candidate shall be allowed to take up more than two subjects.

6. The Syndicate shall have power to define, from time to time, in consultation with experts, the limits of the several subjects, with a view to specialization as far as possible.

7. Candidates must give notice six months before the examination of their intention to appear, and must, at the time of giving such notice, state in writing the subjects they intend to take up, and pay a fee of Rs. 32 to the Registrar.

Every candidate must also state, as definitely as possible, the subject or part of a subject in which he intends, if elected to a Studentship, to carry on special investigations, with a view to retain the Studentship during the second term of three years ; and the examination will be so framed as to test the extent of his knowledge in that subject or part of a subject. A candidate may also state what contribution, if any, he has made to the subject or subjects in which he desires to be examined.

8. The names of the Premchand Roychand Students, past and present, shall be printed in the Calendar after the names of the Fellows.

The Senate, at a meeting on the 21st July 1866, accepted this benefaction from the subscribers of the Duff Memorial Fund.

The Hon'ble Prosunno Coomar Tagore, C.S.I., bequeathed, by this will, to the University, a monthly allowance of Rs. 1,000 for the purpose of founding a Professorship of Law in connection with the University, to be called the "Tagore Law Professorship." The terms of the bequest are given in the following extract from the will :—

"I am desirous of founding a Law Professorship, to be called 'The Tagore Law Professorship' and of providing an adequate remuneration for the Professor who shall fill the chair provided by me. I direct that my Trustees or Trustee do and shall, as soon as may conveniently be after my death, invest, in Government Securities, such a sum of money taken from my personality or by degrees from the income of my real estate at the discretion of my Trustees or Trustee, as will produce the monthly sum of Rs. 1,000, and that when such sum has been invested, the same may be assigned, transferred, and made over to the University of Calcutta, to be held upon the following trusts, that is to say, in trust to pay out of the interest accruing due therefrom the annual sum of Rs. 10,000* by equal monthly payments to the Tagore Law Professor, for the time being, and in trusts to apply the residue of the interest in the manner hereinafter mentioned. And I desire that until such sum shall have been so invested and made over as hereinbefore directed, my said Trustees or Trustee shall, either from the proceeds of my personal estate or from the rents, issues, and profits arising from my real property, pay the sum of Rs. 1,000 a month to the University of Calcutta to be applied by the University in the same manner and for the same purposes as the interest to accrue due from the funds which I have hereinbefore directed to be made over to the University. And I delcare that the right of appointing a professor to the said 'Tagore Law Professorship' and removing or dismissing the incumbent therefrom shall be vested in the Senate of the University. And that the first appointment shall be made so as to begin to take effect not later than the end of one year from the date of my death; my will is that the 'Tagore Law Professor' shall read or deliver at some place within the town of Calcutta one Complete Course of Law Lectures without charge, to the students and other persons who may attend such lectures. Within six months after the delivery of each course of lectures, the lectures shall be printed, and not less than 500 copies thereof shall be distributed† gratuitously. I desire that the expense of such printing and distribution may be defrayed out of the residue of the annual interest of the said fund. Whatever portion of the residue may remain after defraying the expenses, I desire that it may be devoted to the printing and publication of

* The present salary is Rs. 9,000 per annum.

† The Syndicate has laid down the following rules for the distribution of the books :—

That copies of the lectures be distributed gratis only to such students as shall have attended 75 per cent. of the lectures delivered by the Tagore Professor of Law, and shall have obtained not less than 40 per cent. of the marks in the examination held by him.

approved works on Law or Jurisprudence. It is my will that the said 'Tagore Law Professorship' shall, save as herein provided, be, as to the kind of law which is to be taught and in all other matters and things, regulated by and subject to the control of the Senate of the said University."

The Senate has adopted the following scheme for lectures—

1. In the month of May in each year, the Faculty of Law shall select not more than three subjects, upon one of which the Professor for the following year shall be required to deliver a course of at least twelve lectures.

2. Immediately after the subject or subjects shall have been thus selected, advertisements shall be published in such newspapers as the Syndicate may think proper, stating the subject or subjects selected, and inviting applications from candidates for the professorship.

3. Candidates shall send in their applications to the Registrar on or before the 1st May following, and each candidate shall forward with his application one hundred copies of a brief synopsis of his proposed lectures, and, if he so pleases, the same number of copies of his introductory lecture.

4. Hughli College.

AFFILIATED, 1857.

This Institution was founded in 1836, and was originally supported from funds bequeathed by Muhammad Moshin, a wealthy Muhammadan gentleman, who dying without heirs in the year 1806 left his large property, yielding an annual income of Rs. 45,000, to Muhammadan Trustees "for the service of God." Owing to the misappropriation of the funds Government assumed the office of Trustees. The right of assumption was opposed by the original Trustees, but upheld both by the Courts in India and by the Privy Council in England. The period of litigation extended over many years, during which the annual income accumulated, forming a surplus of Rs. 8,61,100. The surplus was devoted to the foundation and endowment of the Hughli College, and was further increased by a portion of the original zemindaree that became available on the death of one of the Mootawallees of the Hughli Immambarah, an Institution which also derives its support from Muhammad Mohsin's legacy. The College endowments were further increased by the accumulation of unexpended revenue until the income

amounted to Rs. 51,000 per annum. In 1873 the Government of India resolved to transfer the whole of the Moshin endowment to the purpose of Muhammadan education throughout Bengal and accordingly increased the provincial assignment for education in Bengal by Rs. 50,000 a year, in order to meet the expenses of the Hughli College which has now become an Institution maintained by the Government.

The College consists of three Departments,—an English, an Arabic, and a Law Department,—and is under the control of the Director of Public Instruction, Bengal. The English Department is open to all students who have passed the University Entrance Examination, the fees being three rupees per mensem for Muhammadans and Rs. 6 for all others. In the Law Department the fee is Rs. 7 for the 1st and 2nd year classes.

There are Hindu and Muhammadan Hostels connected with the College, the Boarding fee of the former is Rs. 5-8 per mensem, and in the latter Rs. 3-8, subject to enhancement, according to enhanced rates of food articles.

SCHOLARSHIPS, STUDENTSHIPS, &c.

1. One Laha Scholarship of Rs. 25 per mensem tenable for one year, is awarded annually to a graduate in Honours of this College, who is preparing within five years of his passing the Entrance Examination, to take the M.A. degree.

2. One Rani Katyani Scholarship of Rs. 16 per mensem, tenable for two years, is awarded annually to the most deserving student who has passed the F.A. Krishnagar College.

AFFILIATED, 1857.

This College was founded by Government in 1845, and is under the control of the Director of Public Instruction, Bengal.

Any person who has passed the University Entrance Examination may be admitted. Students pay a monthly fee of Rs. 5.

The College is a handsome building, standing upon 3 bigahs of land, surrounded by an enclosed compound of upwards of 100 bighas. It was erected in 1856 at a cost of Rs. 66,876, Rs. 17,000 of which collected by private subscription. In consideration of the liberality thus manifested in the district, the donor of Rs. 1,000 is allowed to place a boy, free of expense, at the College in perpetuity, and another for every Rs. 500 additional he may have subscribed. There are thus 13 free-studentships. Part of the ground occupied was purchased by Government; for the remainder, the College is indebted to the munificence of the Maharaja of Nuddea and the Maharani Swarnamayi, C.I., of Cossimbazar.

In 1871, the B.A. classes (the third and fourth year classes) were abolished by Sir George Campbell, then Lieutenant-Governor of Bengal; and for some years the College only afforded instruction up to the First Examination in Arts. In 1875, however, Sir Richard Temple, on the petition of the chief inhabitants of the district, consented to restore the College to its former status, provided that a considerable share of the increased cost was subscribed by the community. A sum amounting to more than Rs. 40,000 was subscribed during the year, and with this endowment the College was re-established on its orginal footing. Classes for the A course for the B.A. were opened in June, 1888

A prize of Rs. 80, founded by Babu Mohinimohan Ray, in 1883, and called the Mohinimohan Ray Prize, is awarded annually to the student who most successfully passes the B.A. Examination with Honours, or to a graduate of the College who passes the M.A. Examination in any subject.

Another prize of Rs. 8 founded by Babu Syamacharan Maitra and called "Smith and Macdonell Prize" is annually awarded to the student who most successfully passes the F.A. Examination, and prosecutes his studies for the B.A. Examination in the Krishnagar College.

A silver medal called "Haranath Mitra Medal" is annually awarded to the student who most successful y passes the B.A. Examination in the B. Course with Honours and fails to secure the Mohinimohan Ray Prize.

College Endowment Funds now amount to Rs 46,000.

There is a Hindu Hostel attached to the College, which is under the direct control of the Prncipal and is managed by a Superintendent who is a so the Gymnastic Master of the College.

Krishnath College, Berhampur.

(*Late Berhampur College.*)

AFFILIATED, 1857.

The older Gazetteers are unanimous in recording that a "British" College was founded in Berhampur in 1826, but the College, as we know it was opened in 1853. The foundation-stone of the building, one moiety of the cost of which was paid by the community, was laid in 1863, and the building came into use in 1869, when the Institution became a first-grade College in Arts. A Law Department had been added in 1864 The status was, however, reduced in 1872 to that of a second-grade College, and the Law Department was abolished in 1875. The Institution again became a first-grade College with a Law Department attached in 1888. It is open to all classes of the community

In pursuance of the policy recommended by the Education Commission, and adopted by the Government of India, the Bengal Government decided in 1886 to transfer the Berhampur College to private management. The munificent offer of the late Maharani Swarnamayi, C I., of Cossimbaza to maintain the College for five years was accepted. Accordingly by a Bengal Government Resolution, dated the 14th May, 1887, the contro. of the College, administrative and financial, was vested in a Board of Trustees. Since the Maharani's death in 1898, the College has been financed by her nephew and successor, Maharaja Monindra Chandra Nandy. In 1905 the College was handed over by deed of transfer to the Hon'ble Maharaja Monindra Chandra Nandy of Cossimbazar, with a Board of Management consisting of the Maharaja as President; the District Judge, the District Magistrate, and the Inspector of Schools, Presidency Circle, as *ex officio* Members; and Babu Boikuntanath Sen.

The Board of Management has appointed a Committee of Management for the College consisting of its own members and the Principal of the

College; and another Committee for the School consisting of its own members together with the Principal of the College and the Head Master of the School The Principal is *ex-officio* Secretary to both Committees.

Scholarships.—Three Scholarships, called the *Berhampur College Scholarships*, of the monthly value of Rs. 8 each, tenable for two years in the B.A. classes of the Institution, are awarded on the results of the F.A. Examination to students taking up an Honour Course for the B.A. Examination. The *Kennedy Scholarship* of Rs 4 a month, founded by public subscription in honour of J. Kennedy, formerly a Collector of this District, is awarded to the successful F.A. candidate from this College who stands next to those obtaining Berhampur College or Government Scholarships. It is tenable for two years in the B.A. classes of the Institution. Five *Rajib Scholarships* of Rs. 4 a month each, founded in commemoration of the donor, the late Rai Rajib Lochan Ray, Bahadur, the benevolent dewan of the late Maharani Swarnamayi, are awarded to the first five successful Entrance candidates from the Berhampur Centre. They are tenable for two years in the F.A. classes of the Institution. Three *Exhibitions* of Rs 150 each are awarded to students of the College taking the B.A. degree with *Honours*. In 1904 the Maharaja founded two *Fellowships* for students who, having taken the B.A. Degree from the College with *Honours*, continue their studies in the Institution for the Degree of M.A.

Medals.—Two gold medals, named after their donors, Babu Baikuntha Nath Sen and Rai Srinath Pal, Bahadur, are awarded to students of this College passing the B.A. Examination with Honours in English and Science respectively. A silver medal, named the *Mackenzie Medal*, founded by late Rai Mukunda Lal Barman, Bahadur, in commemoration of His Honour Sir A. Mackenzie's visit to this District in February, 1898, is awarded to the student who stands highest from this College in the B.A. Examination with Honours.

Free Studentships.—All Government scholars and students holding "Berhampur College" and "Kennedy" Scholarships receive tutiton free. A limited number of free and half-free studentships is also awarded to poor and deserving students on the results of an Examination held for the purpose. Through the liberality of Raja Asutoshnath Ray of Cossimbazar, the Principal is enabled to provide a few additional free and half-free studentships to the extent of Rs. 36 a month.

Collegiate School —Connected with the College is a *School Department* teaching up to the Entrance Standard. The tuition fee in the School ranges from As. 12 to Rs 2-8 a month.

General Martin bequeathed a large sum of money to be devoted to the establishment of a School for the Christian inhabitants of Calcutta, under the direction of the Supreme Court. The School was opened on the 1st March, 1836, and was according to the provisions in General Martin's Will named "La Martiniére."

The Scholars on the Foundation consist of (1) Full Foundationers, who are entirely supported from the Funds of the School; (2) Demi-Foundationers, who pay a monthly fee of Rs. 16 towards the cost of their maintenance and education.

The Foundationers are chosen from among the Christian population of Calcutta; they must be European extraction, and, at the time of election, not less than six or more than ten years of age.

The General Assembly's Institution, Church of Scotland Mission, Calcutta.

AFFILIATED TO CALCUTTA UNIVERSITY, 1864.

This Institution was established in 1830 by the General Assembly of the Church of Scotland. It is the oldest Institution of the kind in India, for it was here that the system, now all but universally followed, was first tried—of imparting the highest form of knowledge, including Religious Instruction, through the medium of the English language.

Digitized by Google

The new system was introduced by Dr. Duff, who began his missonary labours by founding this Institution. Valuable help in the way of procuring pupils was given at the commencement by the well known Rajah Ram Mohun Roy. The success of the Institution soon surpassed all expectations. The Governor-General declared publicly that it had produced "unparalleled results." After having been carried on for some years in various hired premises, the Institution was removed in 1839 to the present building in Cornwallis Square.

The Rev. Alexander Duff, M.A., D.D., was Principal of the Institution, from its foundation until 1843, and the Rev. James Ogilvie, M.A., D.D., from 1846 until his death, in 1871. He was succeeded by the Rev. Robert Jardine, M.A., Ph.D., who retired in 1876. The Principals since then have been Rev. William Hastie, M.A., D.D., the Rev. William Smith, M.A., the Rev. John Morrison, M.A., D.D., and the Rev. A. B. Wann, M.A., B.D.

The General Assembly's Institution is divided into two Departments—the College Department and the School Department.

In the College Department, the students pay a monthly fee of Rs. 5 each. The regular subjects of the Calcutta University curriculum are taught, also the doctrines and the evidences of the Christian religion.

In the School Department, pupils pay fees from 12 annas to Rs. 3 a month. Careful attention is given to instruction in religious knowledge.

A Hostel for students of the College has been built at 71-1, Cornwallis Street, called The Lady Jane Dundas Hostel, after a lady whose legacy of £1,000 left in the hands of the Rev. Dr. MacGregor, Edinburgh, was assigned by him to the Hostel. It accommodates 66 students, who pay from Rs. 13 to Rs. 16 per mensem.

Endowed Scholarships and Prizes.

1. The Macfarlan Gold Medal or Prize of Rs. 50 is awarded every year to the student of the fourth year class who shows the greatest proficiency in English at the B.A. Examination, provided he passes with Honours.

2. The Morrison Prize (in honour of Dr. John Morrison, late Principal)—being the interest of Rs. 1,000, is awarded to the student of the fourth year class who stands second in English from this Institution at the B.A. Examination, provided he passes with Honours. (Amount Rs. 35.)

3. The William Smith Prize, founded in honour of the late Rev. William Smith, a former Principal, is the interest of Rs. 2,000 in books, awarded annually at the University Convocation to the student of the General Assembly's Institution who shall pass the B.A. Examination with highest Honours in Philosophy. (Present worth, Rs. 70.)

4. A prize of Rs. 25 which includes the Kalidas Mukerjee Medal or Prize, founded in memory of the gentleman whose name it bears, is awarded to the student who passes the B.A. Examination with highest Honours in History.

5. The Jagadiswar Medal, in memory of the late Rev. Jagadiswar Bhattacharjya (a student of the college,) is awarded as a second prize in Religious Knowledge in the fourth year class.

6. The Ogilvie Memorial Scholarship of Rs. 10 per mensem in honour of the late Rev. Dr. Ogilvie, Principal of the Institution, is awarded every alternate year to the student who passes highest at the F.A. Examination—provided he passes in the First Division. The scholarship is tenable in the General Assembly's College for two years, in the third and fourth year classes.

7. Wilson Fund Scholarships. The Wilson Fund is a sum of £500 left in 1844 by the late Miss Wilson of St. Andrews, Scotland, for the maintenance of two or more senior scholarships. The income is now divided into three scholarships as follows :—

Metropolitan Institution, Calcutta.

AFFILIATED, 1879.

This Institution consists of a College and a School. In the College the course of instruction is adapted to the requirements of the University for degrees in Arts and Law; and in the Law Department, students are also prepared for the Pleadership Examination. The main school is held in premises contiguous to those of the College. It has two branches, one at Bow Bazar, the other at Bara Bazar. The Institution, in its present form at any rate, was the handiwork of Pandit Iswarchandra Vidyasagara. It was the first attempt to impart higher education through a purely indigenous agency, and was conducted in a way that was characteristic. He gave it a costly local habitation and endowed it with a valuable Library and a Laboratory.

Since the death of Pandit Iswarchandra Vidyasagara in July, 1891, the management of the College has changed hands more than once. Since the 1st September, 1896, it has, under an agreement with the Vidyasagar

Institute, been vested in a committee called the College Council, composed mainly of Professors of the College.

The annual tuition fee is Rs. 36 for the first year and second year classes of the General Department, and Rs. 48 for the third year and fourth year classes of that Department, and for the Law Classes. Exemption from payment of the full fees is granted in special cases. The fee for admission is generally equivalent to the tuition fee for a month.

Vidyasagar Scholarships tenable in the Metropolitan Institution are awarded to deserving F.A. and B.A. students.

In November, 1900, a fund under the name of "Students' Mutual Aid Fund" was started for helping poor students with stipends, books, medical attendance, etc. The expenses are met by subscriptions from Students, Professors, and the Proprietor of the College, and from such outsiders as have sympathy for the movement.

Advanced religious instruction for Hindus as well as Mahomedans has been provided for in all the College Classes.

The Central College, Calcutta.

Affiliated, 1896.

This Institution was founded as a Higher Class English School, under the name of the "University Institution," on the 2nd June, 1893. The name, however, was shortly changed, and the Institution was recognised by the University of Calcutta under the name of the "Central Institution," which

was altered again in 1896, into the one it at present bears. The unexpected success of the school, within a short period of its starting, and the connection of a number of experienced educationists with its teaching staff, led to its being raised to the status of a Second Grade College in June, 1894.

The results for 1895, both at the Entrance and F.A. Examinations having still further improved the prospects of the Institution, an application was made for its affiliation up to the B.A. Standard of the University, and it attained to the status of a First Grade College in January, 1896, and completed the full period of five years for which it was stipulated to be maintained under a certain constitution, in June, 1901.

The Institution is not supported by any private subscription or other aids, and its proprietary rights are absolutely in the hands of its founder, Babu Khudiram Bose.

The object of the Institution is to provide an Unaided College in the northern part of the city for students of moderate means and resources, combining physical and moral training with the type of intellectual training adapted to the requirements of the University. Attention is paid to proper enforcement of discipline by precept and example, and examinations and exercises are held frequently, both in the School and College Departments. Both the third year and fourth year B.A. classes have been at work since June, 1896, and several among the many graduates from this Institution have graduated with Honours in the course of these years. Monthly returns, showing the progress and conduct of the pupils in the School Department, are sent to the guardians, whose suggestions in this connection are cordially received.

The rate of monthly tuition-fee in the College Department B.A. classes is ordinarily Rs. 4; in the F.A. and the higher classes of the School Department, Rs. 3; in the lower forms, Rs. 2-8 and Rs. 2; and in the Infant Department, Re. 1. The fee for admission to any class of the School Department is equal to a month's tuition-fee for the same.

A number of scholarships named "Diamond Jubilee Scholarships," "Vidyasagar Scholarships," "P. K. Lahiri Scholarships," and "Bireswar Mitter Memorial Scholarships," to be awarded annually to such students of the Institution as would pass with distinction the B.A., F.A., and Entrance Examinations of the University, have been provided for, in addition to a lot of School Annual (*Victoria Memorial*) and College Monthly Examination Scholarships determined by the results of these examinations. Two silver medals, named "Durgacharan Sarcar Medal" and "Gaganchandra Bose Medal," are to be awarded by the Proprietor of the Institution, the one in memory of his youngest brother, and the other in memory of one of his distinguished pupils in another Institution, to two such students of the College Department as would secure a Duff Scholarship or the highest number of marks in Logic, at the F.A. Examination of the University for any year.

Brajamohan Institution, Barisal.

This Institution was founded as a higher class English School on the 27th of June 1884, by the late Babu Brajamohan Datta, Small Cause Court Judge of Nuddea, at the request of the District Education Committee which had been instructed by the Director of Public Instruction to secure the establishment of a private school, as the number of students in the Barisal Zila School had at that time exceeded 600, and the buildings were found too small for the accommodation of so many boys. Babu Brajamohan expressed a wish to raise the Institution to the status of a Second Grade College, but it could not be fulfilled on account of his sudden death. His sons, Babu Aswinikumar Datta and the late Babus Kaminikumar Datta and Jaminikumar Datta, encouraged by the unexpected success of the Institution, and with a view to carry out the wishes of their deceased father, added the College classes, which have been affiliated up to the F.A. Standard of the Calcutta University since June, 1889, and to the B.A. and B.L. Standards since July, 1898.

The object of the Institution is to give to the students intellectual, physical and moral training without reference to sect or creed. Particular attention is paid to the enforcement of discipline.

Quarterly statements, showing the progress and conduct of the pupils in the School Department, are sent to their parents for their remarks and suggestions.

A Scholarship of Rs. 10 a month, named "The Bell Scholarship" after Mr. N. D. Beatson-Bell, B.A., I.C.S., tenable for two years in the B.A. classes of this Institution, is awarded to the student who passes the F.A. Examination in the first division and fails to secure a Government Scholarship.

A Silver medal founded by Babu Chandra Sekhar Gupta, late Treasurer of the Currency Office, is awarded to the student who stands first among the successful Entrance candidates, provided he continues his studies in the F.A. classes of this College.

The tuition fee in the College Department is Rs. 3 a month.

The Bhumihar Brahman College.

AFFILIATED, 1899.

This College was founded in July, 1899. It is the result of the zealous efforts of the local Bhumihar Brahman community to remove the crying want of a College at Mozufferpur, which had long been felt by the public of the place. With this view the Bhumihar Brahman Sabha met in March, 1899, and discussed the most feasible way of accomplishing their object. The authorities of the Society's High School, which was founded by the late Nawab Imdad Ali Khan, Bahadur, very generously came to their help and made over the School to the Sabha. The Sabha thereupon resolved to establish a College at Mozufferpur, and took the aforesaid Institution as its feeder. The College has been fortunate enough in enlisting the warm sympathy and support of many public-spirited gentlemen of the town on its behalf. The object that the Sabha has in view, in founding this College, is the placing of the benefits of higher education within the reach of the students of North Behar, and the imparting of moral and physical training to them.

The College was first started, as a second grade one, on the 3rd July, 1899. An application was made in June, 1900, for the affiliation of the College to the Calcutta University, up to the B.A. Standard. The Syndicate was pleased to recommend the affiliation, and the Governor-General's final sanction was obtained in the first week of the current year.

A sum of Rs. 50,000 has been set apart in trust for the maintenance of the College, and a registered trust deed, executed by Chodhri Mohanth Raghunath Dass, Zemindar of Jaintpur, Rai Purmeshwar Narayan Mahtha, Bahadur, Banker, Babu Langat Singh, Zemindar, and Babu Jugeshwarprasad Singh, Pleader, was submitted, along with the first petition for affiliation, to the Syndicate. Soon after the founding of the College it became apparent that Babu Langat Singh alone was to bear the whole of the expenses of the College. The trust fund in hand has consisted solely of his own donation, and nobody else came forward to help the College financially. Hence it is a fact that Babu Langat Singh alone has been supporting the College from its very beginning, and he is therefore the proprietor of the Institution.

The College has been furnished with a fine Laboratory and a well-stocked Library. It is proposed to establish a boarding-house in connection with the College as soon as possible for the benefit of mofussil students, in which poor boys will be allowed free board and lodging.

The tuition fee for the College classes is Rs. 4, and that in the School Department varies from Rs. 2 to As. 8 a month.

One scholarship of Rs. 8 and six others of Rs. 4 each have been awarded to deserving students of the College Department. One of the six Scholarships of Rs. 4 each is called the "Fraser Scholarship," in honour of the Lieutenant-Governor's visit to the College in January, 1904, and the others are also named after distinguished official visitors during the year.

As no eligible students have been found, none of these scholarships have been awarded during the present year.

One free studentship and twelve half-free studentships have been granted to deserving poor boys at the commencement of the current session.

XXXII.

Wesleyan College, Bankura.

AFFILIATED, 1907.

This College was established by the Wesleyan Mission, in June 1903, partly because of the success of the Mission High School, known as the Kuchkuchia High School, but chiefly because of the great demand for higher education in this part of Bengal. There being no college, within a radius of sixty miles, and Bankura having a dry and healthy climate, it was considered to be in every respect a most suitable centre for such an institution. The need of a College, in this neighbourhood, has been amply justified by the number of students that have joined during the last four years. Its success has been so gratifying, both numerically and educationally, that the authorities have asked the university to affiliate the institution up to B.A. in Arts, which privilege has been granted. The privilege of affiliation would have been granted at a earlier date but owing to the reorganisation of the University the delay was unavoidable. Though at present, affiliated in Arts only, provision is being made for the teaching of Science and the University will shortly be asked to give permission to teach one or more subjects in Science, the first probably being Chemistry.

Great difficulty has been experienced in obtaining a suitable site for the new additional buildings to be erected, but an excellent property of 115 bighas has at last been acquired. On this site a new College building, houses for Principal and professors and Hostels for Hindu and Christian students will shortly be erected. At present only F.A. classes are being held but as soon as the new College building is completed B.A. classes will be opened.

The aim of the College is to give a sound, healthy education, based on high moral and Christian principles; and to this end cramming is discouraged and Scripture is taught systematically in both School and College. Manly outdoor games are encouraged and the new College recreation ground is largely patronised by both students and boys.

The rate of fees in the College classes is at present Rs. 4 per month; in the school it varies from Rs. 2 to 8 annas.

Calcutta Madrasah.

AFFILIATED, 1867.

This Institution was founded by Warren Hastings in 1781, with the view of enabling Muhammadans of Bengal to acquire such a knowledge of Arabic Literature and Law as would qualify them for the Judicial Department, and was endowed by him with a Zemindary yielding an estimated rental of Rs. 29,000. In July, 1819, the zemindary was resumed and the rental was commuted to a fixed annual charge on the Treasury, of Rs. 30,000.

In 1873 the interest of the Muhammad Mushin Legacy, amounting to Rs. 51,000, which had previously been expended on the Hughli College, was set free, and was devoted to Muhammadan education in Bengal. Several new Madrasahs were founded; and the sum of Rs. 35,000, plus the schooling fees changed afterwards to Rs. 31,000, was fixed as the annual charge of the Calcutta Madrasah and Colinga Branch School.

In the College Department there are the following scholarships :—2 Muhsin scholarships and 3 Amir-i-kabir scholarships, each of Rs. 10, and tenable for two years, by students reading for the F.A. Examination. Two scholarships of Rs. 10 each, tenable for two years, are annually awarded to passed students of the Madrasah, continuing their studies for the B.A. degree in a Calcutta College.

The Elliott Madrasah Hostel, built from joint contributions of the Bengal Government and individual Muhammadan donors, has been opened since June, 1899. It occupies a site adjoining the Madrasah building and affords accommodation for 140 Muhammadan students attending either one of the several Madrasah Departments of some other affiliated College in Calcutta. Free boarderships, to the total number of 48, are provided from the donations of Sir Charles Elliott, Nawab of Dacca, Basharat Ali Chaudhari, Nawab of Mursihdabad, Haji Quasim Arif, Moulvi Ali Ahmad, Nawab of Junagarh, National Mohammadan Association, Nawab Saher Bano Begum of Khagra Estate, Shaikh Muhammad Ali, Nawab Vilayat Ali Khan, Muhammadan Literary Society, Prince Sir Jehan Quader, Moulvi Alimuddin.

Burdwan Raj College.

AFFILIATED, 1882.

This Institution, since its first establishment in 1817, has been one of slow but steady growth. True to its mission of supplying the demands of the public of Burdwan for education in the modern acceptation of the term, it has always kept pace with the real wants of the place. Started as an Anglo-Vernacular School imparting rudimentary education, which satisfied the intellectual craving of the Burdwan people of the early days of British rule in India, it passed through different stages of improvement, developed various phases of usefulness, and at last attained a recognised position as a Second Grade College in 1881.

The educational establishments of His Highness the Maharaja Adhiraj Bahadur divide themselves at the present time under five heads :—

First, the College Department, which is open to all students that are matriculated in the Calcutta University, teaching up to the F.A. Standard.

Second, the School Department, serving chiefly as a feeder or tributary to the above, preparing students for the Calcutta University Entrance Examination.

Third, the Persian Department teaching, amongst others, those boys of the first two Departments that take up Persian as their second language.

Fourth, the Sanskrit School, imparting instruction in the orthodox native style to those whose religious scruples prevent them from availing themselves of the advantages of the English School.

And fifth and last, the Girls' School, the present provision in connection with which, though meagre, is more than sufficient to meet the requirements of female education as it is understood at Burdwan. All these Departments are under the control of the Principal.

The disbursements in the different Departments aggregate annually about Rs. 23,246, they being entirely met by the munificent charity of His Highness the Maharaja Adhiraj Bahadur.

Education in its various phases is imparted gratuitously, several boys, in consideration of their extreme indigence, being found in money, besides being provided with free tuition.

Three Scholarships of Rs. 10 per mensem each, and tenable for two years, are annually awarded to the best amongst those successful F.A. candidates from the College who fail to secure Government Senior Scholarships, to enable them to study for the B.A. Examination.

Uttarpara College.

AFFILIATED, 1887.

This College is the final outcome of the long-continued efforts of the late Babu Jaykissen Mukerji in furtherance of the cause of English education in Bengal. In 1846 he had a Government School opened at Uttarpara on the basis of an endowment by him and his brother, the late Babu Rajkissen Mukherji, of Rs. 1,200 a year, and a Government assignment of equal value. The School prospered, and won its way to the front rank among the schools in Bengal.

Babu Jaykissen's wish was that his school should ultimately expand into a College, and to this end, so long as the year 1853, he asked Government to raise the school to a first class College, offering to contribute an

equal sum with Government towards the maintenance of the College. In 1883 he submitted a proposal for the conversion of the school into a Second Grade College, offering to make an endowment for its support so that it may cost the Government nothing. The recently initiated educational policy of Government stood, however, in the way of his proposal being accepted, and it was accordingly not accepted.

He finally went up to Government in April, 1887, with a proposal for the establishment of an aided College in connection with the old Government School. Government accorded him permission to open such a College, but on the condition that he took the school off the hands of Government. He agreed to do so, provided Government left the school the material advantages it derived from its connection with Government. It took some time to settle the terms of the transfer, which was formally effected in March, 1889. The College and the Collegiate School were then under the management of a Board consisting of the Collector of Hughly as President, of Raja Pyarimohan Mukerji, C.S.I., and Babu Rasbihari Mukerji as representatives of the late Babu Jaykissen Mukherji, and of Babu Manohar Mukherji as representative of the late Babu Rajkissen Mukerji. But the Uttarpara School having been resumed by Government on 1st April, 1897, the College is entirely maintained and managed by its proprietor. Raja Pyarimohan Mukherji.

Armenian College.

AFFILIATED, 1888.

The College is incorporated with the Armenian Philanthropic Academy, a Day and Boarding School, which was established on the 2nd of April, 1821, by influential members of the Armenian community resident in Calcutta, "for the education of our youth, both rich and poor." In 1813 Chatoor Moorathan bequeathed a sum of Rs. 8,000 towards the opening of such an institution, and his liberality was so supported by a large number of donations that, when the Academy was set on foot, it owned over Rs. 2,00,000.

Until the year 1883 the affairs of the school were administered by a number of Armenian gentlemen, who were styled Members of the Institution, and who elected four of themselves to be Managers. But in that year, under a decree of the High Court of Judicature at Fort William in Bengal, a scheme was drawn up for the future regulation and management of the Academy. The funds of the school were placed in the hands of the Official Trustee of Bengal, and a Board of Managers was appointed.

The College keeps on its rolls about sixty foundationers of Armenian parentage. Some of these lads are provided for by the Armenian Association of Batavia; others by the Armenian Church of Calcutta; others under

the Mary Apcar Trust; others by the Burma ex-pupils; and others by the College itself. Besides these, pupils of all denominations are received as boarders and day-scholars on payment of the usual fees.

Cotton College, Gauhati.

AFFILIATED, 1901.

This College was established by the Government of Assam as a purely Government Institution, under the control of the Director of Public Instruction, Assam, and is the outcome of a strong desire on the part of the Assamese for a local College. It owes its foundation to the zealous efforts of Sir H. J. S. Cotton, C.S., K.C.SI., the late Chief Commissioner of Assam, after whom it has been named at the request of influential men of the locality.

The College was affiliated in June, 1901, to the Calcutta University up to the F.A. Standard. The building is a handsome and imposing structure occupying a fine site, and erected by the Government at a cost of over half a lakh of rupees. It has a large Science Theatre, with a well-equipped Laboratory, and a large Library and Examination Hall.

The main object of the establishment of a College in the heart of Assam was to provide higher educational advantages for the natives of this Province, and to avoid the necessity of boys going to Calcutta at too early an age.

There is a Collegiate School attached to the College, under a Headmaster assisted by a staff of 14 teachers, directly under the control of the Principal. The fees levied in the College are Rs. 5, monthly tuition fee, and Rs. 5, admission fee. There is a small compulsory subscription to the Athletic Club, levied from all students In the School Department the rates of fees vary from As. 12 to Rs. 3.

Connected with the College, and under the control of the Principal, there are two separate Hostels for Hindus and Mahomedans, under the direct supervision and management of two Resident Superintendents. A visiting Medical Officer has also been appointed to look after the health of the boarders. No fees are charged to boarders for accommodation. The boarding fee ranges from Rs. 7 to Rs 9 per mensem according to rates of food articles in the market.

There are Junior Scholarships awarded to the natives of the Assam Valley and to successful candidates from Assam schools, who are not natives. upon the result of the Entrance Examination. These scholarships are tenable only at this College, except under the special orders of the Chief Commissioner. Senior Scholarships are also awarded at this College to students who pass their F.A. Examination, and intend to study further. Their values are Rs. 20 and Rs. 15.

AFFILIATED, 1907.

This Institution was founded in 1902, and constitutes a religious trust under the management of a Board of Trustees. Its aim, principally, is to give Hindu boys a training in their religion, and to revive ancient Hindu learning; it has in view also the furtherance of the cause of general education.

The work has been commenced with two branches: one is the college teaching the F.A. Course, and the other is the *chatushpathi* teaching different branches of Sanskrit Literature and Hindu Law and Philosophy. The College has got a Council of Management and has recently been affiliated for the Intermediate Examination in Arts. It is intended principally for Hindu students. Pupils of other religious persuasions are also admitted merely as day-scholars and upon a principle of non-interference.

Medical College of Bengal.

AFFILIATED, 1857.

The Medical College of Bengal was founded by Lord William Bentinck in the year 1835.

The government of the College and Hospital is vested in the Principal, aided by a consultative Council, composed of all the Professors, subject to the general control of the Inspector-General of Civil Hospitals for Bengal.

THE STUDENTS.

1. Students are permitted to enter for a complete course of study or for selected courses in one or several subjects.

2. Students who enter for the full course are called "regular," and those who enter for isolated subjects or courses are termed "casual" students.

3. Except under very special circumstances, no student from a medical college of another Province can be admitted other than as a casual student.

4. The maximum number of students admitted under either of those designations is determined by the Principal at his own discretion (Bengal Government order No. 267 Medl. of 19th January, 1897).

Digitized by Google

5. Regular students who have failed at the Test Examination of the first year, will have their application for re-admission considered before the applications of new students at the next annual session.

6. No person will be enrolled as a regular student who has not previously passed the First Arts Examination of the Calcutta University, or other examination recognised as its equivalent by the Calcutta University.

7. Casual students may be admitted at the discretion of the Principal, provided they have passed the Entrance Examination of the Calcutta University, or other examination recognised as its equivalent by the Calcutta University, or a Preliminary Arts Examination recognised as its equivalent by the British General Medical Council.

8. As a very exceptional case, a casual student may be admitted by the Principal without the Preliminary Arts Examination. In such a case no certificate for lectures or hospital practice can be granted.

9. Any regular student who leaves the College before completing the course, with the object of continuing his studies in a medical school in Europe, may receive certificates of attendance at lectures on payment of fees at certain (Section "Fees") fixed rates, provided the Professor is satisfied that the attendance of the student has been satisfactory, and that the subject has been honestly studied.

10. All students intending to finish their studies in Europe are directed to the Regulations of the British General Medical Council, in which it is laid down that Latin is a compulsory subject in the Arts Preliminary. A recognised examination in Latin must be passed before students can be registered by the British General Medical Council.

11. A casual student wishing to attend any course of lectures or any department of hospital practice, may do so with the permission of the Principal and Professor of the subject on payment, in advance, of fees at the rates fixed. If the student has passed a recognised Preliminary Arts Examination, he may be granted certificates of attendance at the lectures, provided the Principal and Professor are satisfied with his study of the subject taken up.

12. Special students are also admitted to two complete courses of study other than the University course, *viz.*, the Female Certificate Course and the Military Pupil Course.

13. Admission to the Female Certificate Course is granted by the Principal, provided the student has passed the Preliminary Arts Examination, as explained in paragraph 7.

14. Admission to the Military Pupil Course is regulated by the Director-General, Indian Medical Service.

Female Students.

15. Female students may enter—

(*a*) as regular students for the University course;
(*b*) as Female Certificate students;
(*c*) as casual students.

16. The Preliminary Arts Examination required before entering for—

17. A student who has entered for the University course may be permitted by the Principal to change her plan of studies at any stage, and to join the Certificate Class instead.

18. Female students entering as regular or Female Certificate Students,

are eligible for a Government scholarship of Rs. 20 per month, and are not charged any fees (Bengal Government Education) No. 1285 of 28th March, 1895.

19. Such a scholarship need not be claimed if the student does not wish to conform to the conditions.

20. The rules regulating the granting of certificates for lectures in paragraphs, 8, 9, 10, and 11, apply also to female students of all classes.

Female Certificate Class.

21. Admission to this class is granted by the Principal. The number of admissions is determined by the Principal.

22. Female students must be over 17 years of age before commencing their studies.

23. They must have passed a Preliminary Arts Examination before admission to the College, *viz.*:—

(1) Entrance Examination of the Calcutta University or an equivalent;

(2) A Preliminary Arts Examination recognised by the British General Medical Council.

24. Application for admission to this class should reach the Principal by the 1st of May. In the event of a student desiring a scholarship from the Government or the Countess of Dufferin's Fund, her circumstances and claims should be concisely stated. The application should be accompanied by a signed declaration of willingness to abide by the conditions under which such scholarships are granted.

25. The conditions under which scholarships are granted by the Countess of Dufferin's Fund are laid down in Appendix No. 3 of the Annual Report of the Central Committee of the Countess of Dufferin's Fund.

26. The curriculum of the class extends over four years, and is that detailed in Section "Curricula."

27. Any proposed alteration of the course of study must receive the sanction of the Principal.

28. The progress in the course of study is regulated by Test and Pass Examinations. (Section "College Examinations.")

29. Students who are successful at the final Pass Examination of this course are entitled to the certificate of the College qualifying them to practise in India. A fee of Rs. 10 is charged for each certificate.

The Surnomoye Hostel.

30. All female students are expected to reside in the Hostel, and only under exceptional circumstances will they be allowed to live with friends or guardians outside the College. Applications may, therefore, have to be refused on the ground that there is no accommodation in the Hostel.

31. Under the rules of the Hostel, preference is given to native students.

32. While in the Hostel, students are under the supervision of the Lady Superintendent, and must conform to the rules laid down for their guidance.

33. While within the College precincts, students are under the disciplinary control of the Principal.

Procedure of Admission.

Date of Application.

3. (*a*) On payment of the requisite fees laid down in Section "Fees," paragraphs 1 and 5, a student is admitted to the College as a regular or casual student and is admitted to the lectures.

Of admission.

The Central Committee Scholarships of the Countess of Dufferin Fund.

The following scholarships have been created in the place of those of lower value which have hitherto existed : —

Three scholarships of Rs. 30 each per mensem, which it is intended shall be held at the Medical College at Calcutta or Lahore. These scholarships are to be tenable for five years and are granted only to students who have passed the University F.A. Examination, and who must agree to enter the full Assistant Surgeon's Course.

Seven scholarships of Rs. 20 each per mensem, to be held by students at the Medical Colleges at Calcutta, Madras, Bombay or Lahore. They must be over 17 years of age and pass the Entrance Examination, or an examination officially recognised by the University as equivalent to the Entrance examination.

These scholarships are paid through, and on the recommendation of, the Principal of the College where the student is working, but are liable to be withdrawn should she appear, either from want of application or from other causes, not likely to turn out a useful member of the Medical Profession.

A condition which applies to all the abovenamed scholarships is that a student, on the expiration of the term of her Medical study, shall be bound to serve the Association for at least three years, if called upon to do so.

All students who hold Central Committee scholarships are called upon to sign an agreement.

(*b*) Female students, if accepted by the Principal, will, under ordinary circumstances, be accommodated in the Surnomoyee Hostel, and will report their arrival at the Principal's office. A female student permitted to reside outside the Hostel, must report herself at the Principal's office on or before the 15th June. No female student will be admitted after 15th June.

4. The fees, as laid down in Section "fees," may be paid personally at the Principal's office, or by money-order or cheque. A receipt is granted, and each student must initial the counterfoil of the receipt.

Fees.

1. All regular students must pay Rs. 15 on entrance as an entrance fee.

All failed first and second-year students must seek admission by applying before 15th May, otherwise their prior claim lapses. They must pay their fees before the 15th May.

Third and fifth-year students who fail at the first and second L.M.S. Examinations must pay their fees by the 15th June.

New students must apply and, if admitted, pay their fees before 1st June.

The session will commence on the 15th June.

2. All regular students must pay an annual fee of Rs. 96 in two instalments—Rs. 48 on the 15th June and Rs. 48 on the first November. Fees once paid cannot be refunded.

2a. All regular students have to pay an annual fee of Re. 1 to the Medical College Athletic Club.

3. The fee for each course of Dissection is Rs 6.
The fee for each course of Practical Chemistry is Rs. 6
The fee for each course of Practical Physiology is Rs. 10.
The fee for each course of Physiological Chemistry is Rs. 15.
The fee for each course of Practical Morbid Histology is Rs. 15.
The fee for each course of Practical Bacteriology is Rs. 15.

4. Muhammadan students are required to pay the entrance fee of Rs. 15 and half the annual fees—Rs. 24 on the 15th June and Rs. 24 on the 1st November. The remaining half fees are charged to the Mohsin Fund.

5. The following scale of fees is fixed for regular students who take up course additional to the full curriculum of a year (Section "Curricula," paragraph 2):—

	Rs.
(a) For a single course of lectures in one subject in one year ..	40
(b) For attendance for three months in one department of hospital practice	30
(c) For attendance for three months at Practical Pharmacy ..	30

6. Casual students who wish to attend any course of lectures or any department of hospital practice may do so, with the permission of the Principal and Professor of the subject, on payment, in advance, of the fees fixed in paragraph 5.

7. Junior stipendiary scholarships and free tuition for one year are awarded to 10 students of the *bonâ fide* second year's curriculum on the results of the Test and Honour Examinations at the end of the first year.

8. Junior stipendiary scholarships, and free tuition for one year are awarded to 10 students of the *bonâ fide* third year's curriculum on the results of the Test and Honour Examinations at the end of the second year, but not unless they have passed the Preliminary Scientific Examination.

N.B.—By the term "students of the *bonâ fide* second and third year's "curriculum" is to be understood those students who have not failed in former Test Examinations of the first and second year, and who therefore have not had to seek re-admission.

9. Senior stipendiary scholarships and free tuition are awarded annually to 10 students of the *bonâ fide* fourth year's curriculum on the results of the Test and Honour Examinations at the end of the third year, provided they have passed either the first M.B. or L.M.S. Examination. A student who

Digitized by Google

has failed to pass the Preliminary Scientific Examination at the end of his second year cannot hold a scholarship in his third year. In the event of his passing a combined examination at the end of his third year, he will then be eligible to hold a senior scholarship. Senior scholarships, with free tuition, are tenable for two years, provided the holders pass the Test Examination at the end of their fourth year to the satisfaction of the Principal.

10. Holders of stipendiary scholarships of a value less than Rs. 20 per mensem are not required to pay the annual fee of Rs. 96 for the year in which they hold a scholarship. All other scholarship-holders shall pay the same fees as regular students, except female students who are exempted from the operation of this rule [Bengal Government Resolution (Education) No. 1285 of 28th March, 1895].

11. Students re-admitted to a curriculum after failure at Test Examinations or, in the case of third-year students, those who have failed in the first L.M.S. or M.B. Examination, will be required to pay half the annual fee in one instalment (*i.e.*, Rs. 48), and an extra fee (*i.e.*, for Dissection) of Rs. 6 in full.

12. Students who have passed the Test Examination of the second year, but have failed to pass the Preliminary Scientific, L.M.S. or M.B., and who therefore have to take up in their third year as extra subjects those in which they have failed, will be required to pay fees for those subjects at the following rates:—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, in addition to the full annual fee.

13. A student who passes the Preliminary Scientific L.M.S. at the end of his second year, but for any reason, does not pass the Preliminary M.B. Examination, and who then wishes to pass himself for the Preliminary Scientific M.B. or combined M.B. Examination at the end of his third year, and has to attend the lectures in Chemistry, Botany, and Zoology, required for his examination as extra subjects, must pay fees in accordance with the provision of paragraph 12.

The practice is, however, not recommended, and such students are advised to ask permission to revert to the second-year course of study.

14. A similar ruling applies to students who have passed the first L.M.S. at the end of their third year, but having failed to pass the first M.B., wish to present themselves for it at the end of their fourth year. They must attend the necessary lectures as extra subjects and pay extra fees, but they are advised to apply for permission to revert to their third year.

15. Students who have passed in all subjects at a University examination but fail in the "aggregate," will pay fees as if they had failed in one subject.

16. Students who fail at the final M.B. or L.M.S. Examination will pay fees for the subjects in which they have to reappear at the following rates:—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, but without any annual fee.

17. These rules, with regard to the payment of fees after failure, may, in special cases, be relaxed by the Inspector-General of Civil Hospitals, Bengal, on the recommendation of the Principal (Bengal Government Order No. 263, Medical, dated 19th January, 1897).

18. No fees are charged to regular female students or to those of the Female Certificate Class.

19. Similarly no fees are charged to students of the Military Pupil Class.

20. In calculating the sum to be paid under Rule 9 "The Students," the amount of the fees already paid by him as a regular student, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount, which would have been paid by him, had he been a paying student, shall be deducted.

Digitized by Google

21. Thus a regular student, leaving for Europe at the end of his second year, would, after enjoying for two years a stipendiary scholarship and free tuition, if he wished for the necessary certificates, be required to pay the following sum, calculated thus :—

Anatomy course of first and second year	..	40 + 40 = 80
Chemistry ditto ditto ..	..	40 + 40 = 80
Botany ditto ditto ..	..	40 + 40 = 80
Materia Medica of second year	..	40 40
Comparative Anatomy ditto	..	40 40
Practical Chemistry ditto	..	40 40
Physiology ditto ..	..	40 40
Dissections, first and second year ..	..	40 + 40 = 80
Pharmacy, second year	..	30 30
Hospital practice	..	60 60
		570

Deduct :—

First year—		
Entrance fee	..	15
Annual ,, ...	..	96
Dissection ,, ...	..	6
Second year—		
Annual fee	..	96
Dissection fee	..	6
Practical Chemistry	..	6
		— 225
Amount due	..	345

22. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, *i.e.*, he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

23. Students of the Military class and Female Certificate class requiring certificates in the same way, will be required to pay the rate of fees laid down in paragraph 5 for the full curriculum, or for such portion as they have attended. No deduction will be made in this case, as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of 7th December, 1880.

2. Any regular student may, with the permission of the Principal and the Professors of the subjects, attend courses of lectures or departments of Hospital practice in addition to the full curriculum for the year, and shall be entitled to certificates for attendance at such extra lectures if the Professors are satisfied that the student has attended regularly and has honestly studied the subject. For such courses additional fees are charged. (Section "Fees," paragraph 5.)

3. A casual student wishing to attend any course of lectures or any department of Hospital practice may do so with the permission of the Principal and Professor of the subject on payment in advance of fees at the rates fixed. If the student has passed one of the Preliminary Arts examinations as explained in Section "The Students," paragraph 1, he may be granted certificates of attendance at the lectures, provided the Principal and Professor are satisfied with his study of the subjects taken up.

4. Female students may, with the sanction of the Principal, change their course of study from the curriculum of the University to that of the Certificate class.

5. Casual female students may be enrolled in the Certificate class after commencing a course of study in one or more subjects at the College, but will have to complete the full four-years' course from the time of entering the Certificate course.

6. All certificates for attendance at these curricula are only recognised by the British General Medical Council, provided the requisite Preliminary Arts examination has been passed.

	1st year.	2nd year.	3rd year.	4th year.	5th year.
Military Pupil class.	College Test examination.	Final examination.	College Test and Final examinations.	Final examination.	
Female Certificate class.	College Test examination.	Final examination.	College Test and Final examinations.	Final examination.	

NOTE.—It will thus be seen that the first L.M.S. or first M.B. fulfils the purpose of a College Test for regular students of the third year, and the Final L.M.S. or M.B. for those of the fifth year.

Promotion to a higher stage of the curriculum is dependent on passing the Test examinations.

5. Students of the first and second-year at the College Test examinations are expected to obtain a minimum of 40 per cent. in all subjects, but 30 per cent. in one may not debar them from being promoted to the second and third year's curriculum, respectively. Failure to reach this minimum will entail a further year's study before promotion.

6. Those who, after passing the College Test, fail at the University examinations, will be entitled, equally with those who pass it, to join the third-year curriculum, at the end of which the former will have to present themselves for the combined Preliminary Scientific and first L.M.S. or M.B. examinations.

7. Those students who fail at the College Test examination of the second year will not be debarred from going up for the Preliminary Scientific. They will be encouraged to do so; but whether they pass or fail they will be relegated to the second-year curriculum, provided that those who pass the University examination will not be required to attend the courses in those subjects in which they have passed.

8. Students of the first or second-year curriculum, who fail twice at the same stage to gain promotion to the next higher curriculum, will be finally removed from the College.

9. Students of the third-year must present themselves for the first L.M.S. or first M.B. examination of the Calcutta University, or for the combined (paragraph 6 above). Those who fail at this examination will be relegated for a further year to the third-year's curriculum.

10. Those who fail to present themselves at the University examinations without satisfactory explanation, render themselves liable to removal from the College.

11. Students of the third-year who fail twice at the first L.M.S. or first M.B. will be liable to removal from the College. If the Principal thinks fit, they may be allowed to remain in the College and be relegated to the third-year curriculum on payment of fees at rates laid down (Section "Fees," paragraph 11). This concession may be repeated for any number of years at the discretion of the Principal.

12. Students of the fourth-year curriculum must not only pass the College Test examinations, but must also show diligence and aptitude in clinical work, otherwise they will not be promoted to the fifth-year curriculum.

13. Students of the fourth-year curriculum who, at the College Test ex-

aminations, obtain a minimum of 40 per cent. of the marks in three subjects, and 30 per cent. in a fourth (Section "Curricula") will be eligible for promotion to the fifth-year class. Those who fail to obtain this minimum will be relegated to the fourth-year curriculum for a further year.

14. Students who fail to pass the final L.M.S. or M.B. examinations must attend a further course of lectures in the subject or subjects in which they have failed, in accordance with the University regulations, and must pay the necessary fees (Section "Fees," paragraph 16).

15. Students who have failed to pass the College Test and University examinations in regular course are not eligible for junior stipendiary scholarships (Section "College Rewards").

16. Students of the fourth-year curriculum will be allowed to compete for the medals, prizes and scholarships of the fourth and fifth years (Section "College Rewards," paragraphs 16 and 17).

17. The method of examinations for Honours is determined by each Professor in consultation with the Principal.

Military Pupils.

18. The rules regulating the Test and Final examinations of the Military pupil class are those ordered by the Director-General, Indian Medical Service, from time to time.

Female Certificate Class.

19. Promotion to a higher curriculum is dependent on passing the Test examinations, at which the minimum of marks fixed in each subject must be obtained.

20. A student of the first year who obtains less than 30 per cent. of marks in any two out of the four subjects of the Test examinations will be removed from the College.

21. A student of the second and third-year curriculum must obtain 40 per cent. of the marks in two subjects of examination (Test or Final) to be promoted to the higher curriculum. A student who fails to obtain 40 per cent. in two or 30 per cent. in one subject only will be relegated for a further year's study to her present curriculum.

22. If a student obtains more than 30 per cent. but less than 40 per cent. of the marks in one subject, she will be eligible for promotion. She must, however, attend a course of lectures in the subjects in which she has failed in addition to the full curriculum of the year to which she has been promoted. She must pass the Test examination in that subject before being promoted. Repeated failure will entail removal from the College.

23. The same rules for the minimum percentage of marks accepted for the examinations of the second and third years apply to students of the fourth year.

24. If a student of the fourth year gains 30 per cent. and less than 40 per cent. in one subject only, she will be referred for a further course of study for one year.

The Military Pupil Class.

1. The administrative control of this class, as a portion of the Indian Subordinate Medical Department, rests with the Director-General, Indian Medical Service.

2. Students are admitted to this class under the orders of the Government of India, Military Department (India Army Circulars, 1884, clause 3). Full particulars are to be found in a prospectus issued annually from the office of the Director-General, Indian Medical Service.

3. Students must be of European or Eurasian parentage, physically fit, of good character, and between sixteen and nineteen years of age on admission.

4. While at the college they will be styled military pupils.

5. Their education at the College is intended to fit them for employment in hospitals of British troops and in Military and Civil appointments (India Army Circulars, 1884, clause 83).

6. The course of study is that laid down in Appendix B of the abovementioned prospectus, and will be found in the Section "Curricula" of these rules.

7. Military pupils must obtain permission from the Principal before attending lectures on subjects outside their curriculum.

8. The periodical and final examinations of the curriculum will be conducted, and students who fail to pass them will be dealt with in accordance with the rules laid down in the prospectus issued by the Director-General, Indian Medical Service.

9. At the end of the course, military pupils, if reported qualified, will be attested and admitted (India Army Circulars of 1888, clause 162) into the Indian Subordinate Medical Department.

10. At the same time they will receive a certificate qualifying them to practise physic in India and designate themselves Diplomates of the Medical College of Bengal.

11. A military pupil who, at the end of his first year at the College, does not, in the opinion of the Principal, give promise of proving a successful or desirable student, will be liable to removal.

12. A military pupil, in the event of failing to pass the periodical and final examinations of the curriculum, or misconducting himself, may be summarily removed by the Director-General, Indian Medical Service, and all certificates to which he may otherwise be entitled withheld.

13. A military pupil desirous of relinquishing his studies can only do so with the sanction of the Director-General, Indian Medical Service, and on refunding the whole amount of pay received by him.

14. A military pupil who, after completing the course, declines to be attested, will similarly refund the whole amount of pay received by him, and will not receive any certificates.

15. The order and discipline of the military pupils is maintained by the Superintendent of military pupils, and the resident staff under the orders of the Principal.

16. While under instruction in the College or Hospitals, military pupils are subject to the rules for the maintenance of discipline applicable to other students.

17. Leave to military pupils is granted by the Principal.

18. No certificate of attendance on any course of lectures, or practical work, will be granted to a military pupil unless he has passed the Entrance examination of the Calcutta University, or its equivalent, before commencing the course, and has also paid the fees laid down for casual students (Section "Fees").

(*g*) Certificate of honour.
(*h*) Government scholarships to female students enrolled as regular students, with free tuition.

2. Free tuition, as above defined, is available to regular students only of the first year.

3. Stipendiary scholarships are awarded only to regular students of the College.

4. Regular students who at any time are referred for a second year of study in all the subjects of one curriculum, are thereby rendered ineligible for any of the stipendiary scholarships, junior and senior. They are, however, eligible for the special scholarships and class prizes of the fourth and fifth year.

5. A student who has failed to pass the Preliminary Scientific examination at the end of his second year cannot hold a scholarship in his third year. In the event of his passing a combined examination at the end of his third year he will then be eligible to hold a senior scholarship.

6. A student referred for a further course of study in one subject of curriculum is not eligible to compete for honours in that subject.

7. Certain clinical College prizes, and all class gold medals and certificates of honour, are open for competition of all students except casual students.

8. A female student enrolled as a regular student may compete for all scholarships and medals.

9. A student who has permission to attend a course in excess of the curriculum of his year is eligible for the prizes given for that course.

10. Casual students are ineligible for stipendiary scholarships, prizes and certificates of honour.

11. A Government female scholarship of Rs. 20 per mensem may be granted to a female student on entrance for five years, provided that—

(*a*) She is a promising student.

(*b*) She is not receiving a scholarship of that value from any other source external to the College.

(*c*) She is willing to bind herself to serve Government for four years, if called upon to do so after passing out of the College. [Government of Bengal (Education) No. 1285 of 28th March, 1895].

NOTE.—If a female student comes to the College with a scholarship of less value than Rs. 29 a month, she shall be entitled to receive the balance in the shape of a supplementary scholarship from Government on the above conditions.

12. A student holding a senior scholarship who fails to pass the Test examination of the fourth year to the satisfaction of the Principal will forfeit his scholarship, which may then be awarded for one year to the student of the fifth year who stands highest in the results of the fourth-year examination and is not the holder of any scholarship.

13. Senior and Junior scholarships will not be awarded to any student who has gained the Durga Charan Laha Scholarship of Rs. 30 per mensem (Calcutta University Calendar) or any other scholarship.

14. A gold medal is awarded to the best student in each subject on the result of the Honours examination. In those subjects in which the course is biennial, the best of the students of the two years may obtain the gold medal unless there be a special medal for the junior year. If the winner is of the junior year, he can only receive the reward of the junior year.

15. The fact of a student having obtained a medal or certificate of honour will not prevent him from being relegated to a further year in that curriculum the Test examination of which he has failed to pass.

16. Certificates of Honour to the number of three in each subject may be awarded by the Professors, subject to the sanction of the Principal, to such students who have not obtained the medal, but are deemed worthy of it.

medal will be styled the "Ambica Charan Chaudhuri Medallist." A silver medal will be awarded to that candidate at the L.E. and B.E. examinations who, not having won the gold medal, obtains the highest number of marks.

On the result of the University examination for degrees and licenses, two Graduate Mining Scholarships of Rs. 50 a month, tenable for two years, may be awarded, and a number of Graduate Scholarships of Rs. 50* a month, tenable for one year, varying in number according to the number of Mining Scholarships held during the year, will also be awarded, provided that the total number of scholarships, in the two classes together, does not exceed ten at any one time. The one-year scholarship-holders must serve continuously during that period in practical work under the supervision of the Public Works Department, and to the satisfaction of those under whose orders they may be placed. The Mining Scholarships would be tenable on a Mine approved by Government, and would be payable monthly on a report that the holders continued to work satisfactorily under the orders of the Mine Superintendent. The two years' service will be reckoned as one year on practical work under the supervision of the Public Works Department. Each of these years will extend over a session of nine months' service in a Mine, and three months' training in assaying, either under the Superintendent of the Mine or in the Sibpur College, as may hereafter be determined. Three Scholarships of the value of Rs. 50 per mensem, tenable for one year, will be awarded to the passed B.E. students who are selected to undergo a course of practical training under the Sanitary Engineer.

The Government of India guarantees each year one appointment in the Superior Provincial Service of the Public Works Department to a student of this College who is a statutory native of India.

One student annually is nominated by the Principal from amongst the newly-admitted students to undergo a two-years' course of training in Telegraphy at the Thomason College, Rurki, to qualify himself to appear at the competitive examination for one or two guaranteed appointments as apprentice in the Telegraph Department on a salary of Rs. 100 per month.

They are appointed as Assistant Superintendents, class VI, 2nd grade, on Rs. 225 a month, on proving their thorough fitness within three years.

Apprentice Department.

Any candidate whose age is at least 15, and not more than 17 years, and who has passed the University Entrance Examination, or has passed by Standard VII of the Code of European Schools, is admitted without further test.

The number to be admitted each year is limited to 60. If there be accommodation, candidates who have passed the final examination of the B. Course of Bifurcation of studies of Zilla school may be admitted to the 2nd year class, and candidates of Affiliated Technical Schools who have passed the Sub-overseer examination held at the end of the 2nd year at the College may be admitted to the 3rd year class. Applications for admission with registration fee of Re. 1 must reach the Principal not later than the 6th of May; and the session commences on the first Monday in June.

The theoretical course, including three hours daily in the shops continued for three-and-a-half years, and the remaining year-and-a-half of the five years' apprenticeship is spent entirely in the workshops or dynamo-house.

The tuition fee for this Department is Rs. 3 per mensem, no fee being charged to students on the Free and reduced fee lists.

Members of this Department must be boarders, and the charge for Euro-

peans and Eurasians up to 25 in number is Rs. 5 each per mensem, whilst 5 are admitted free, and for natives up to 40 in number, Rs. 2 per mensem; but apprentices in excess of these numbers are received on payment of the same messing fees as Engineer students, except Rs. 2 for rent. Certain Scholarships are awarded to European and Eurasian students of this Department by the Imperial Anglo-Indian Association.

Stipends :—After the final examination, ten stipends of Rs. 10, and ten of Rs. 6 each, tenable for one year and a half, will be awarded to those apprentices who pass the best examination, both theoretical and practical.

The Government of India guarantees each year one appointment as an Upper Subordinate on the pensionable Establishment of the Railway Branch of the Public Works Department to an apprentice student.

6. As soon as possible after an examination has been held, the persons who have set any question paper in the examination, and those who are to examine the answers to that paper or any portion of it, and the Head Examiner, if there is one, shall meet to determine the kind or standard of answers to be expected from candidates, and to decide upon a system of marking. Their conclusions shall be embodied in a memorandum to be jointly signed by them and forwarded to the Registrar. If, owing to unavoidable circumstances, any Examiner who has set a paper is unable to attend the meeting, the remaining Examiners contemplated by this Regulation shall meet and transact the aforesaid business.

For this purpose a meeting of the Examiners in each subject shall be held as soon as possible after the close of the examination, at which provisional rules shall be drawn up. After this meeting each Examiner shall look over a certain number of papers (the number to be determined at the meeting) and shall submit them to the Head Examiner for re-examination. After he has re-examined these papers, the Head Examiner shall call another meeting for the final determination of the rules. A copy of these rules shall be sent to each Entrance Examiner and to the Registrar.

7. Each Head Examiner shall re-examine at least 5 per cent. of the answer papers looked over by each of the Entrance Examiners in his subject, with a view to see whether they are working uniformly according to the method indicated, and shall direct, if necessary, any Examiner to conform to that method.

The re-examination of the answer papers shall be conducted in the following manner:—

Every Entrance Examiner shall, as soon as he finishes the examination of about 100 papers, send them with the corresponding pages of his roll to his Head Examiner, who shall examine at least five papers taken at

8. The functions of Head Examiners are :—

(*a*) to distribute, in consultation with the Examiner, the marks allotted to a question consisting of several parts, over those parts ;

(*b*) to give general directions, in consultation with the Examiners, as to what should be included within the scope of each answer, and as to how far any particular answer should be dealt with leniently or strictly by reason of the difficulty or simplicity of the question ;

(*c*) to look over a few of the papers examined by each Examiner immediately after the meeting of Examiners, to ascertain how far the standard agreed upon is being followed ; and in cases of deviation from such standard, giving general directions to be more or less strict as may be required ;

(*d*) to re-examine 5 per cent. of the answer papers examined by each Examiner with the object of seeing whether the standard adopted has been generally and fairly adhered to, but not to insist upon mechanical uniformity.

9. In no case shall the Head Examiner increase or diminish the marks assigned to any paper by an Entrance Examiner without himself examining that paper.

10. In case of a difference arising between a Head Examiner and an Entrance Examiner, an appeal shall lie to the Moderators.

11. Every Entrance Examiner must remain in Calcutta as long as his services are required by his Head Examiner.

12. The Head Examiner shall forward to the Registrar by instalments the totalised marks in his subject, with observations on those cases which he may deem worthy of special consideration.

In order to avoid delay in the submission of the totalised marks, Head Examiners are requested to see that the Entrance Examiners look over the papers of candidates in the order in which their names appear in the rolls (General Rule 12).
